

## FICHA BÚSQUEDA DE SOCIOS

### GENERAL DESCRIPTION

- ACRONYM (si lo hay): **RENERUNIT**
- TITTLE (aunque sea una idea sin desarrollar aún): *“Assessment and Training Unit for the energy efficiency promotion and the use of renewable energies in the building sector and urban transport companies.”*
- ABSTRACT (de la idea o proyecto):

**The so called RENERUNIT Project aims mainly at two different topics, though clearly compatible in themselves: on the first hand renewable energies at a domestic level, and on the second hand energy efficiency in transport. We mention the compatibility in between both since CO2 and greenhouse gases are targeted as potentially affected by the measures we do herein propose**
- DESCRIPTION (breve resumen) :

**The main goal has to do with the founding of a technical-economic assessment unit with also continuous activity in training and dissemination fields, helping by means of the tools below mentioned, to promote the use of renewable and a more conscious freight services at an urban level**
- CURRENT STAGE OF DEVELOPMENT (Idea, proposal under development or project already started):

**Proposal under development**
- KEYWORDS: seleccionar del archivo adjunto Technology Keywords 230409.doc.
- **Renewable Sources of Energy**
- **Rational use of Energy**

## **ORGANISATION THAT IS LOOKING FOR PARTNERS**

- Description of activities/other details (breve descripción de las actividades de vuestro grupo):

**Engineering (technical reports, projects, expert reports, energy audits)**

**Energy Facilities (solar maintenance, and biomass boilers, small-scale, wind) Training.**

- Target partner organisation type(s) (cubrir sólo si buscáis un tipo de organismo concreto):

**National Energy Agencies, Regional Energy Agencies, Consultants, ESCOs, Engineering Organisations, Financial Organisations, Local Associations, Local Energy Bodies, Local Government, Local Sectorial Organisations, Networks, Regional Associations, Regional Energy Bodies, Regional Associations, Regional Government, Regional Sectorial organisations, Research Institute/University, Schools & Colleges, Transport Companies.**
